# Cariloop's Caregiver Support Platform gives your family access to our On-Demand Licensed/Certified Care Coaches

Never be alone again! Access your dedicated Care Coach (social worker, nurse, therapist, case manager, etc.) via phone or video chat who will empower you to:

- ♥ Feel less overwhelmed with a clearer perspective of next steps and questions for doctors or other professionals.
- ♥ Discover the path ahead by understanding the financial or legal options that would best support your goals.
- ♥ Make sound decisions with tailored research on healthcare providers that would benefit your loved ones.

## Online Case Management Portal

Cariloop's Case Management Portal seamlessly brings your family together in one spot to communicate with your Coach, securely store and share important files, and access helpful resources for your specific situation.
