THIS IS A SUMMARY OF BENEFITS FOR THE MICHAELS STORES, INC. SHORT TERM DISABILITY PLAN. THE PROVISIONS OF THIS SUMMARY APPLY TO DISABILITIES BEGINNING ON OR AFTER JULY 1, 2021.

INTRODUCTION

The purpose of the Michaels Stores, Inc. Short Term Disability (STD) Plan is to assist you in meeting your reasonable income needs in the event you suffer a short-term disability and are unable to work.

What follows is a Summary Plan Description that is required by the Employee Retirement Income Security Act (ERISA). (Read your ERISA rights at the end of this Summary.) Because this summary has been written to conform to Department of Labor (DOL) regulations, it does not contain a complete explanation of each and every provision and term contained in the more comprehensive Plan Document. If your particular circumstances are not described within this summary or if you do not understand something described in this summary, a copy of the entire Plan Document is available for your review at the Human Resources Department.

Michaels Stores, Inc. (the Company) in its capacity as Plan Administrator, has delegated the claims administration and operation of the Plan to Matrix Absence Management, Inc. Matrix will determine, at its discretion, whether or not you are entitled to Plan benefits.

The Company intends to continue the Plan indefinitely but reserves the right to change or terminate the Plan at any time. If the Plan is terminated, benefits will continue to be payable for any covered disability which began before the termination date.

PARTICIPATION

Who may participate? You, provided you are a Team Member of Michaels Stores, Inc. classified as Vice President or above, who is regularly scheduled to work at least 30 hours per week.

How do I enroll? You will automatically be enrolled in the Plan on your date of hire. You must be at work on the day your participation in the Plan begins. If you are not at work on that day, your participation will be delayed until you are back at work.

When does my participation in the Plan end? When any of the following occurs:

- you cease to be an eligible employee. For example, if your scheduled work week is reduced to fewer than 30 hours per week or you are no longer employed by Michaels Stores;
- you take an unpaid leave of absence except for a leave taken pursuant to the guidelines of the Family and Medical Leave Act (FMLA) of 1993 or a similar state medical leave law; or
- the Plan terminates.

What is it going to cost me? Michaels Stores, Inc. pays the entire cost of your Plan coverage.

DISABILITY

What is a disability? For the purposes of the Plan, any of the following:

- you suffer a non-occupational injury or illness (physical, mental) which prevents you from performing the primary duties of your job (or any reasonably related job);
- your pregnancy prevents you from working in your regular job;
- you contract or are exposed to a communicable disease (e.g., TB, chickenpox), and your doctor (or a bonafide health official) states, in writing, that you must stay away from work; or
- you are under treatment for alcohol or drug abuse. You must participate in an accredited residential or outpatient program to qualify for benefits.

You will not be considered disabled if you are doing work of any kind for pay or profit without first obtaining approval from the Plan Administrator. You will not be considered disabled if you turn down alternative employment offered by the Company that is within your capabilities and is comparable in status and pay to your regular job.

Who says when I am disabled? The claims administrator, based on objective medical evidence and any other information that may be relevant.

BENEFITS

When will my benefits begin? If you are disabled, you will become eligible to receive benefits on your eighth day of disability. You may choose to use your available PTO days during your 7-day elimination period.

Generally, benefits for periods of maternity will be 6 weeks for natural deliveries or 8 weeks for C-Sections.

A disability is deemed to be continuous if you return or are able to return to work for fewer than thirty days and become disabled again due to the same or related cause or condition.

How much will I receive? You will be eligible to receive 100% of your earnings. Partial benefits are paid at a daily rate that is 1/7th of your weekly benefit.

Will I still be eligible for benefits if I return to work on a part-time basis? If you return to work on a part-time or modified schedule basis while eligible for disability benefits, you will receive your regular income for any hours that you work and your STD benefits for hours not worked. In no event will your combined income and benefits exceed 100% of your weekly earnings prior to becoming disabled.

How are benefits determined? Benefits are based on your earnings. Earnings means your base weekly salary or wages on the date immediately preceding the onset of disability. Earnings do not include bonuses, commissions, overtime pay or any other additional forms of compensation.

What is deducted from my benefit? Any of the following for which you are eligible: (i) disability or retirement benefits under any plan, fund or other arrangement, by whatever name called, providing benefits pursuant to any compulsory benefit act or law of any government; (ii) benefits under a state disability plan or a Company plan providing disability benefits established in place of a state plan; (iii) any loss of time benefits that you receive or are entitled to receive under any salary continuation or accumulated sick leave, including any other group disability benefits that exceed 100% of your pre-disability earnings; (iv) any amount that you receive or are entitled to receive under any unemployment act or law due to the end of your employment with the Company; and (v) benefits under any work loss provision in mandatory no-fault motor vehicle law. If you don't apply for these benefits, your benefit will be reduced by the amount you would have received had you applied.

Can benefits be suspended? Yes. The claims administrator may request that a doctor examine you at the Company's expense. Your benefits will be suspended as of the date of the examination (however, if the examination establishes that you are still disabled, your benefits will resume retroactive to the examination date). If you fail to furnish information about your disability within 20 days following a written request by the claims administrator, your benefits will be suspended. Finally, if you leave your doctor's care, or you reject the treatment plan recommended by your doctor, your benefits will be suspended. Benefits will resume once you comply with these requirements. In no event will you be paid benefits for the period when you were out of compliance with the Plan.

When do benefits end? On the date immediately following 13 weeks of disability. The 13 weeks includes 12 weeks of benefits and your 7-day elimination period during which you may choose to use any available PTO time. However, if your disability ends before then, your employment ends, (or if you die), your benefits will end as of that day.
