

Frequently Asked Questions & Helpful Hints

What Is CirrusMD?

CirrusMD is a free chat-based virtual care program that allows you to securely text, send photos, or video chat with a doctor within seconds.

Instead of waiting for an appointment, taking time off from work and paying to visit the doctor, you can use CirrusMD to connect instantly from your phone or computer as soon as symptoms arise. Doctors are licensed to practice across the U.S., answer within seconds and can even prescribe medication when necessary - allowing you to access comprehensive care on your schedule, your budget, and your terms.

When should I use CirrusMD?

USE CIRRUSMD WHEN YOU OR YOUR DEPENDENTS:

- ▶ Feel sick, but it's not an emergency
- ▶ Have a minor injury
- ▶ Have general medical questions
- ▶ Want to refill a prescription (controlled substances, non-therapeutic and certain other drugs may not be available)

EXAMPLES OF CONDITIONS TO CHAT ABOUT:

- ▶ Coughs, fevers, sore throat
- ▶ Earaches, stomach pain, diarrhea
- ▶ Rashes, allergic reactions, animal/insect bites
- ▶ Back/abdominal pain
- ▶ Sports injuries, burns, heat-related illness
- ▶ Urinary tract infections
- ▶ General or more serious health questions

Remember, if you're experiencing an emergency, dial 911.

CirrusMD is available to all part time Team Members and their immediate family members. An immediate family member is defined as your spouse/partner and/or dependents under 26 years old. Although this is a free service, there may be costs associated with any labs or prescriptions.

Where and when is CirrusMD available?

CirrusMD is accessible from anywhere you can access the internet, 24 hours a day, 7 days a week.

To get the best care experience, download the CirrusMD app by searching for "CirrusMD" in the App Store for iOS mobile devices or Google Play store for Android devices. You can also access CirrusMD by visiting mycirrusmd.com.

HOW DO I REGISTER FOR CIRRUSMD?

After downloading the CirrusMD app or clicking "Register" on the mycirrusmd.com web page, you'll be directed to a form to register for CirrusMD. You'll need your date of birth, email address, and zip code to register for CirrusMD. After you successfully complete your information, you'll receive an email with instructions about how to finish setting up your account (if you don't see this in your Inbox, check your Spam folder). Once your account setup is complete, you can login and begin chatting with a doctor immediately.
