

# Care for the Whole Family

The next time you or your child doesn't feel well, don't wait for a doctor's appointment. Simply use CirrusMD to **text a doctor for free, 24/7.**

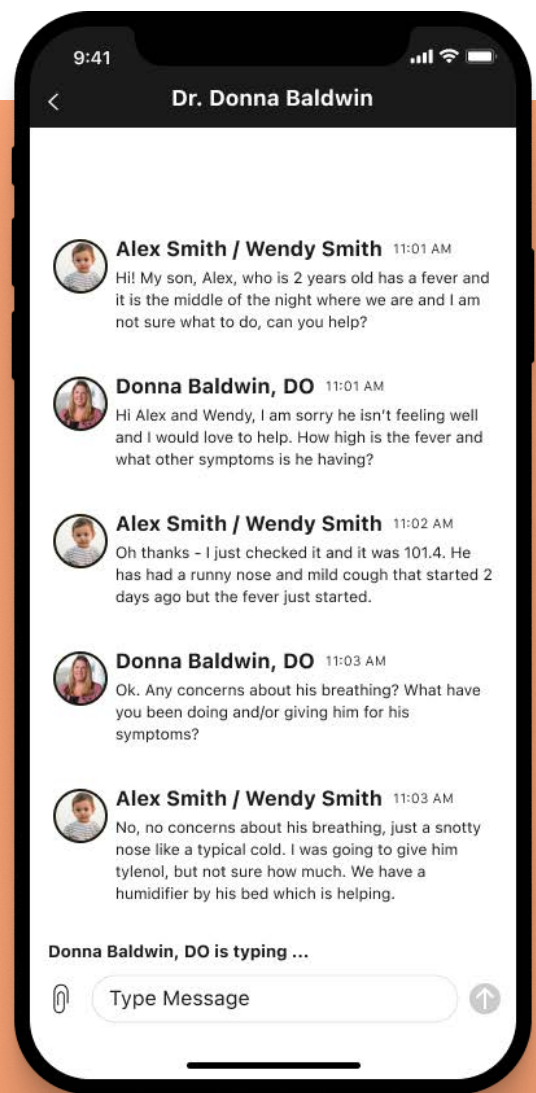

Chat with doctors in seconds about kids' health:

- ▶ Coughs, fevers, sore throat
- ▶ Stomach pain, diarrhea
- ▶ Rashes, allergic reactions, animal/insect bites
- ▶ Back/abdominal pain
- ▶ Sports injuries, burns, heat-related illness
- ▶ Urinary tract infections
- ▶ General health questions

*CirrusMD is available to all part time Team Members and their immediate family members. An immediate family member is defined as your spouse/partner and/or dependents under 26 years old. Although this is a free service, there may be costs associated with any labs or prescriptions.*
