Your old glasses can do wonders

Hosting your collection drive

Double check to make sure your Donate for Good kit contains:

- 1 collection box
- 2 posters to hang around your building
- 1 self-addressed shipping box to mail collected glasses to OneSight EssilorLuxottica Foundation

Choose a place to set up the collection box.

Write the collection box location on both posters. Be sure to include your contact information in case employees have questions.

Hang posters in high-traffic areas like common areas, break rooms, kitchens and more.

Promote the event in your company newsletter and emails throughout the year.

If you have any questions (or if you need more boxes or posters), just reach out to your EyeMed rep.

For every pair of glasses employees donate, EyeMed makes a donation to OneSight EssilorLuxottica Foundation in your company's name.

OneSight EssilorLuxottica Foundation partners with the Lions Club to donate each pair of glasses to someone in need.

EVERY PAIR IS
PRECIOUS

Donate in 4 easy steps

1.

Complete this online submission form so you get credit for your generous donation. **If you send the shipment without completing the form, your company won't get credit for the contribution.**

2.

Place the collected glasses in the return box included in the kit and send to:

OneSight EssilorLuxottica Foundation
9924 International Blvd., Dock 22
Cincinnati, Ohio 45246

3.

Print a copy of the confirmation email you receive after completing the online submission and place it in the box.

4.

Once OneSight EssilorLuxottica Foundation receives the return box, you'll receive an email confirmation and thank you, then EyeMed makes a contribution to the foundation in your company's name.
