

Save 10% on the cost of child care!

Fall is just around the corner, and we know your schedule is about to get a whole lot busier. Let's make child care one less thing to worry about. Your Michaels-sponsored Tuition Benefit saves you 10% off the cost of child care at KinderCare® Learning Centers and Champions® before- and after-school programs.

What We're Learning This Fall

Infants and Toddlers, Ages 0–2

Our sweet babies are making lots of cognitive development gains through moving, making sounds, stacking blocks, and playing with puzzles. Our adventurous toddlers are building models, using art to design cars, and learning about all the people and things that shape our community.

Preschool and Pre-K, Ages 3–5

Preschool and pre-K kiddos are growing their math and literacy skills as we learn all about the season. They're also learning how to express themselves and talk about the things they see around them—like green leaves turning different colors!

Elementary Schoolers, Ages 6–12

If you have a school-age big kid who needs extended-day care when school is out, we've got your back all year round! Champions offers out-of-school time programming right on school grounds. Kids tackle homework, play outside, and have a blast as they make new friends and discover new passions.
