THE EMPLOYER MUST COMPLY WITH THE WORKERS' COMPENSATION LAW AS IT PERTAINS TO NON-SUBSCRIBERS AND THE REQUIRED NOTIFICATIONS THAT MUST BE FILED AND POSTED.**

This Weekly Income Certificate amends the previous Weekly Income Certificates and is dated December 17, 2024.

### WEEKLY INCOME BENEFIT

**DAY BENEFITS BEGIN:** Benefits, for one period of disability, will be paid as follows:

**INJURY AND SICKNESS:** We will pay benefits from the greater of: (1) the fifteenth consecutive day of disability; or (2) the day immediately following the number of accumulated sick days applicable to you.

**MAXIMUM BENEFIT PERIOD:** Benefits, for one period of disability, will be paid up to a maximum of eleven (11) weeks.

**WEEKLY INCOME BENEFIT:** The Weekly Income Benefit for each Insured will be 60% of Earnings to a maximum benefit of \$1,000.

**MINIMUM WEEKLY BENEFIT:** In no event will the Weekly Income Benefit be less than \$25.00.

**CHANGES IN WEEKLY INCOME BENEFIT:** Increases in the benefit amount are effective on the date of the change, provided you are actively at work on the effective date of the change. If you are not actively at work on that date, the effective date of the increase in the benefit amount will be deferred until the date you return to active work. Decreases in the benefit amount are effective on the date the change occurs.

If an increase in, or initial application for, the Weekly Income Benefit amount is due to a life event change (such as marriage, birth or specific changes in employment status), proof of good health will not be required for amounts up to the guaranteed issue amount, provided you apply within thirty-one (31) days of such life event.

**APPROVED ENROLLMENT PERIODS:** It is the Policyholder's responsibility to provide us with written notice at least thirty-one (31) days prior to conducting an Annual Enrollment Period of the beginning and end dates of such enrollment period. The terms of the Approved Enrollment Period will be as follows:

During an Approved Enrollment Period, beginning May 6 and ending on June 30, applications for employees who were previously eligible and are now applying for initial insurance coverage will not require proof of good health, provided:

- (1) the application is complete, signed, and received by the Policyholder during the Approved Enrollment Period;
- (2) you were not previously declined for group disability insurance coverage by us; and
- (3) you did not have an application withdrawn or marked as incomplete for any reason.

Insurance coverage applied for during this Approved Enrollment Period will be effective on the July 1st following the Approved Enrollment Period, provided the employee is Actively at Work, applicable premium is paid and any applicable service waiting period has been satisfied.

**CONTRIBUTIONS:** You are required to contribute toward the cost of this insurance.

Contributions for you are being made on a post-tax basis. For purposes of filing your Federal Income Tax Return, this means that under the law as of the date the Policy was issued, your Weekly Income Benefit might be treated as non-taxable. It is recommended that you contact your personal tax advisor.

This includes approved time off such as vacation, jury duty and funeral leave, but does not include time off as a result of Injury or Sickness.

"Injury" means bodily injury resulting directly from an accident, independent of all other causes. The injury must cause disability which begins while you are insured under the Policy.

"Earnings", as used in the SCHEDULE OF BENEFITS section, means your weekly salary received from the Policyholder on the day just before the date of disability, prior to any deductions to a 401(k) and Section 125 plan. Earnings does not include commissions, overtime pay, bonuses, incentive pay or any other special compensation not received as basic salary.

If hourly employees are insured, the number of hours worked during a regular work week, not to exceed forty (40) hours per week, will be used to determine weekly earnings.

"Physician" means any duly licensed practitioner who is recognized by the law of the state in which treatment is received as qualified to treat the type of Injury or Sickness for which claim is made. The physician may not be you or a member of your immediate family.

"Regular Care" means Treatment that is administered as frequently as is medically required according to guidelines established by nationally recognized authorities, medical research, healthcare organizations, governmental agencies or rehabilitative organizations. - (3) retirement benefits under the United States Social Security Act of 1935, as amended, or under any similar plan or act.

"Treatment" means care consistent with the diagnosis of your Injury or Sickness that has its purpose of maximizing your medical improvement. It must be provided by a Physician whose specialty or experience is most appropriate for the Injury or Sickness and conforms with generally accepted medical standards to effectively manage and treat your Injury or Sickness.

## GENERAL PROVISIONS

**INCONTESTABILITY:** Any statements made by you or on your behalf to persuade us to provide coverage, will be deemed a representation not a warranty. This provision limits our use of these statements in contesting the amount of insurance for which you are covered. The following rules apply to each statement:

- (1) No statement will be used in a contest unless:
  - (a) it is in written form signed by you, or on your behalf; and
  - (b) a copy of such written instrument is or has been furnished to you, your beneficiary or legal representative.
- (2) If the statement relates to your insurability, it will not be used to contest the validity of insurance which has been in force, before the contest, for at least two years during your lifetime.

**NOT IN LIEU OF WORKERS' COMPENSATION:** The Policy is not a Workers' Compensation Policy. It does not provide Workers' Compensation benefits.

## CLAIMS PROVISIONS

**NOTICE OF CLAIM:** Written notice must be given to us within thirty-one (31) days after the loss occurs, or as soon as reasonably possible. The notice should be sent to us at our Administrative Office or to our authorized agent. The notice should include your name and the Policy Number.

**CLAIM FORMS:** When we receive notice of claim, we will send the claimant the forms to file the proof of loss. If we do not send them within fifteen (15) days after we receive notice, then the proof of loss requirements will be met by giving us a written statement of the nature and extent of the loss within ninety (90) days after the loss began.

**WRITTEN PROOF OF LOSS:** For any covered loss, written proof must be sent to us within ninety (90) days. If it is not reasonably possible to give proof within ninety (90) days, the claim is not affected if the proof is sent as soon as reasonably possible. In any event, proof must be given within one (1) year unless the claimant is legally incapable of doing so.

**PAYMENT OF CLAIMS:** When we receive written proof of loss, we will pay any benefits due. Benefits that provide for periodic payment will be paid for each period as we become liable. We will pay benefits to you, if living, or else to your estate.

If you have died and we have not paid all benefits due, we may pay up to \$1,000 to any relative by blood or marriage, or to the executor or administrator of your estate. The payment will only be made to persons entitled to it. An expense incurred as a result of your last illness, death or burial will entitle a person to this payment. The payments will cease when a valid claim is made for the benefit. We will not be liable for any payment we have made in good faith.

**PHYSICAL EXAMINATION:** At our own expense, we will have the right to have you examined as reasonably necessary when a claim is pending. We can have an autopsy made unless prohibited by law.

**LEGAL ACTIONS:** No legal action may be brought against us to recover on the Policy within 60 days after written proof of loss has been given as required by the Policy. No action may be brought after three (3) years (Kansas, five (5) years; South Carolina, six (6) years) from the time written proof of loss is required to be given.

## EFFECTIVE DATE AND TERMINATION

**EFFECTIVE DATE OF INDIVIDUAL INSURANCE:** If the Policyholder pays the entire premium, your insurance will go into effect on the date stated on the Schedule of Benefits.

If you pay a part of the premium, you must apply in writing for the insurance to go into effect. You will become insured on the date stated on the Schedule of Benefits, except that the insurance will go into effect on the later of:

- (1) the first of the month coinciding with or next following the date you apply, if you apply within thirty-one (31) days of the date you are first eligible; or
- (2) the first of the month coinciding with or next following the date we approve any required proof of good health. We require proof of good health if you apply:
  - (a) after thirty-one (31) days from the date you first become eligible; or
  - (b) after you terminated this insurance but remained in a class eligible for this insurance; or
  - (c) after being eligible for coverage under a prior plan for more than thirty-one (31) days but did not elect to be covered under that prior plan; or
- (3) the date premium is remitted.

Changes in your amount of insurance are effective as shown on the Schedule of Benefits.

If you are not actively at work on the day your insurance is to go into effect, the insurance will go into effect on the day you return to active work for one full day.

**TERMINATION OF INDIVIDUAL INSURANCE:** Your insurance will terminate on the first of the following to occur:

- (1) the date the Policy terminates; or
- (2) the date you cease to be in a class eligible for this insurance; or
- (3) the end of the period for which premium has been paid for you; or
- (4) the date you enter military service (not including Reserve or National Guard).

**YOUR REINSTATEMENT:** If you are terminated, your insurance may be reinstated if you return to Active Work with the Policyholder within the period of time as shown on the Schedule of Benefits page. You must also be a member of an Eligible Class, as shown on the Schedule of Benefits page, and have been:

- (1) on a leave of absence approved by the Policyholder; or
- (2) on temporary lay-off.

You will not be required to fulfill the eligibility requirements of the Policy again. The insurance will go into effect on the day you return to Active Work. If you return after having resigned or having been discharged, you will be required to fulfill the eligibility requirements of the Policy again. If you return after terminating at your request or for failure to pay premium when due, proof of good health must be approved by us before you may be reinstated.

## WEEKLY INCOME INSURANCE

**BENEFITS PAYABLE:** We will pay Weekly Income Benefits if you:

- (1) are Disabled due to Sickness or Injury; and
- (2) become Disabled while insured by the Policy.

Weekly Income Benefits are reduced by any income from all Other Sources as listed below and payable from the Day Benefits Begin. Benefits are payable up to the Maximum Benefit Period for one period of disability. Weekly Income Benefits, the Day Benefits Begin and the Maximum Benefit Period can be found on the Schedule of Benefits.

If we have underpaid any benefit for any reason, we will make a lump sum payment. If we have overpaid any benefit for any reason, the overpayment must be repaid to us. At our option, we may reduce the Weekly Income Benefit or ask for a lump sum refund. If we reduce the benefit, the Minimum Benefit, if any, as shown on the Schedule of Benefits page, would not apply. Interest does not accrue on any underpaid or overpaid benefit unless required by applicable law.

**PERIOD OF DISABILITY:** Each period of disability starts from the first day benefits are due. It will end when:

- (1) you are no longer disabled;
- (2) all benefits due have been paid; or
- (3) you have retired from employment with the Policyholder.

Two or more disabilities will be deemed the same period of disability if they are from:

## **PARTIAL DISABILITY BENEFIT**

We will pay Partial Disability Benefits if:

- (1) you are Partially Disabled; and
- (2) you accept Rehabilitative Employment.

Partial Disability Benefits are paid from the Day Benefits Begin as shown on the Schedule of Benefits. Benefits are paid up to the Maximum Benefit Period as shown on the Schedule of Benefits for one period of disability.

Partial Disability Benefits will equal the Weekly Income Benefits payable under the Policy but in no event will the sum of:

- (1) the Partial Disability Benefit;
- (2) income from Rehabilitative Employment; and
- (3) income from all Other Sources;

exceed 100% of your Earnings. If it does, the Partial Disability Benefit will be reduced by one dollar for every dollar the sum exceeds 100%. The Partial Disability Benefit is subject to the Maximum Benefit Period shown in the Schedule of Benefits for any one period of disability.

"Rehabilitative Employment" means working in any gainful occupation for which your training, education or experience will reasonably allow. The Rehabilitative Employment and a plan of rehabilitation must be supervised by a Physician or licensed rehabilitation specialist, and both must be approved by us. Rehabilitative Employment includes performing all of the material duties of your regular occupation on a part-time basis or some of the material duties on a full-time basis. It does not include performing all of the material duties of your regular occupation on a full-time basis.

"Partially Disabled", for the purpose of this Partial Disability Benefit only, means that you are unable to perform the material duties of your own job and are under the regular care of a Physician.

## **TRANSFER OF INSURANCE COVERAGE**

If you were covered under any group weekly income insurance plan maintained by the Policyholder prior to the Policy's Effective Date, you will be insured under the Policy, provided that you are Actively At Work and meet all of the requirements for being an Eligible Person under the Policy on its effective date.

If you were covered under the prior group weekly income disability plan maintained by the Policyholder prior to the Policy's Effective Date, but were not Actively at Work due to Injury or Sickness on the Effective Date of the Policy and would otherwise qualify as an Eligible Person, coverage will be allowed under the following conditions:

- (1) You must have been insured with the prior carrier on the date of the transfer;
- (2) Premiums must be paid; and
- (3) Disability must begin on or after this Policy's Effective Date.

If you are receiving weekly income benefits, become eligible for coverage under another group weekly income disability insurance plan, or have a period of recurrent disability under the prior group weekly income insurance plan, you will not be covered under the Policy. If premiums have been paid on your behalf under the Policy, those premiums will be refunded.

### **Waiting Period Credit**

If you are an Eligible Person on the Effective Date of the Policy, any time used to satisfy any Waiting Period of the prior group weekly income insurance plan will be credited towards the satisfaction of the Waiting Period of the Policy.

## **EXTENSION OF COVERAGE UNDER THE FAMILY AND MEDICAL LEAVE ACT AND UNIFORMED SERVICES EMPLOYMENT AND REEMPLOYMENT RIGHTS ACT (USERRA)**

### **Family and Medical Leave of Absence:**

We will continue your coverage in accordance with the Policyholder's policies regarding leave under the Family and Medical Leave Act of 1993, as amended, or any similar state law, as amended, if:

- (1) the premium for you continues to be paid during the leave; and
- (2) the Policyholder has approved your leave in writing and provides a copy of such approval within thirty-one (31) days of our request.

As long as the above requirements are satisfied, we will continue coverage until the later of:

- (1) the end of the leave period required by the Family and Medical Leave Act of 1993, as amended; or
- (2) the end of the leave period required by any similar state law, as amended.

### **Military Services Leave of Absence:**

We will continue your coverage in accordance with the Policyholder's policies regarding Military Services Leave of Absence under USERRA if the premium for you continues to be paid during the leave.

As long as the above requirement is satisfied, we will continue coverage until the end of the period required by USERRA.

The Policy, while coverage is being continued under the Military Services Leave of Absence extension, does not cover any loss which occurs while on active duty in the military if such loss is caused by or arises out of such military service, including but not limited to war or any act of war, whether declared or undeclared.

While you are on a Family and Medical Leave of Absence for any reason other than your own illness, injury or disability or Military Services Leave of Absence you will be considered Actively at Work. Any changes such as revisions to coverage due to age, class or salary changes, as applicable, will apply during the leave except that increases in the amount of insurance, whether automatic or subject to election, will not be effective if you are not considered Actively at Work until you have returned to Active Work for one (1) full day.

A leave of absence taken in accordance with the Family and Medical Leave Act of 1993 or USERRA will run concurrently with any other applicable continuation of insurance provision in the Policy.

Your coverage will cease under this extension on the earliest of:

- (1) the date the Policy terminates; or
- (2) the end of the period for which premium has been paid for you; or
- (3) the date such leave should end in accordance with the Policyholder's policies regarding Family and Medical Leave of Absence and Military Services Leave of Absence in compliance with the Family and Medical Leave Act of 1993, as amended and USERRA. Coverage will not be terminated if you become Disabled during the period of the leave and are eligible for benefits according to the terms of the Policy. Any Weekly Benefit which becomes payable will be based on your Earnings immediately prior to the date of Disability.

Should the Policyholder choose not to continue your coverage during a Family and Medical Leave of Absence and/or Military Services Leave of Absence, your coverage will be reinstated.

**TIMING OF NOTIFICATION OF BENEFIT DETERMINATION**

Non-Disability Benefit Claims

If a non-disability claim is wholly or partially denied, the claimant shall be notified of the Adverse Benefit Determination within a reasonable period of time, but not later than 90 days after our receipt of the claim, unless it is determined that special circumstances require an extension of time for processing the claim. If it is determined that an extension of time for processing is required, written notice of the extension shall be furnished to the claimant prior to the termination of the initial 90-day period. In no event shall such extension exceed a period of 90 days from the end of such initial period. The extension notice shall indicate the special circumstances requiring an extension of time and the date by which the benefit determination is expected to be rendered.

Calculating time periods. The period of time within which a benefit determination is required to be made shall begin at the time a claim is filed, without regard to whether all the information necessary to make a benefit determination accompanies the filing.

Disability Benefit Claims

In the case of a claim for disability benefits, the claimant shall be notified of the Adverse Benefit Determination within a reasonable period of time, but not later than 45 days after our receipt of the claim. This period may be extended for up to 30 days, provided that it is determined that such an extension is necessary due to matters beyond our control and that notification is provided to the claimant, prior to the expiration of the initial 45-day period, of the circumstances requiring the extension of time and the date by which a decision is expected to be rendered. If, prior to the end of the first 30-day extension period, it is determined that, due to matters beyond our control, a decision cannot be rendered within that extension period, the period for making the determination may be extended for up to an additional 30 days, provided that the claimant is notified, prior to the expiration of the first 30-day extension period, of the circumstances requiring the extension and the date by which a decision is expected to be rendered. In the case of any such extension, the notice of extension shall specifically explain the standards on which entitlement to a benefit is based, the unresolved issues that prevent a decision on the claim, and the additional information needed to resolve those issues, and the claimant shall be afforded at least 45 days within which to provide the specified information.

Calculating time periods. The period of time within which a benefit determination is required to be made shall begin at the time a claim is filed, without regard to whether all the information necessary to make a benefit determination accompanies the filing. In the event that a period of time is extended due to a claimant's failure to submit information necessary to decide a claim, the period for making the benefit determination shall be tolled from the date on which the notification of the extension is sent to the claimant until the date on which the claimant responds to the request for additional information.

## ERISA STATEMENT OF RIGHTS

As a participant in the Group Insurance Plan, you may be entitled to certain rights and protections in the event that the Employee Retirement Income Security Act of 1974 (ERISA) applies. ERISA provides that all Plan Participants shall be entitled to:

### **Receive Information About Your Plan and Benefits**

Examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all documents governing the Plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.

Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including

insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The Administrator may make a reasonable charge for the copies.

Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

### **Prudent Actions by Plan Fiduciaries**

In addition to creating rights for Plan Participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefits plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interests of you and other Plan Participants and Beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a benefit or exercising your rights under ERISA.

### **Enforce Your Rights**

If your claim for a benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of the Plan documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the Administrator. If you have a claim for benefits which is denied or ignored, in whole or part, you may file suit in a state or Federal court. In addition, if you disagree with the Plan's decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, you may file suit in Federal Court. If it should happen that Plan Fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

### **Assistance with Your Questions**

If you have any questions about your Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest Office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue, N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.
